RE: Scholarship Opportunity for Prospective Civil Engineering Majors

On behalf of the Mohawk-Hudson Section of the American Society of Civil Engineers (ASCE), we would like to offer your qualifying graduating seniors a scholarship opportunity. Each year the Mohawk-Hudson Section offers a scholarship to a graduating senior seeking to continue their education with the goal and desire of becoming a practicing civil engineer. This year we are offering a 4-year, \$1,000 per year scholarship!

We invite you to share this invitation with your graduating seniors who intend to enroll in an educational institution majoring in an ABET accredited curriculum leading to a Bachelor of Science Degree in the field of Civil Engineering. We highly encourage all qualifying students from your school to submit an application.

One winner will be selected from all the qualifying applications received. Judging for the award will be conducted by our section's scholarship committee. The scholarship is planned to be presented to the selected winner at the section's annual dinner meeting to be held in early summer of 2021 in the greater Albany, New York area.

Attached to this letter is an application with response instructions. Please copy this and make it available to all interested graduating seniors. Applications with essay and GPA transcript must be postmarked by Friday May 28th, 2021. Applications should be submitted to:

2021 ASCE Mohawk-Hudson Scholarship Committee
c/o Reuben Hull
1162 Lowell Road
Schenectady, NY 12308

Should you have any questions or concerns please feel free to contact me via email at rhull@labellapc.com. Electronic copies of the scholarship application are available by request.

Due to the public health and economic challenges of COVID-19, this year's application process will be dynamic. Please reach out through email if you are unable to fulfill all application requirements, electronic submissions will also be accepted.

Sincerely,
2021 ASCE Mohawk-Hudson Scholarship Committee

Reuben Hull, PE., M.ASCE
Vice President, ASCE Mohawk-Hudson Section
