

# GCS JR./SR. HIGH SCHOOL NEWSLETTER

PRINCIPAL HILTON

MARCH 29, 2024

## NEWS:

It has been a busy week for GCS! Last weekend, The Addams Family was a huge success!

This week, 7/8th grade softball and baseball tryouts began. Students in Ms. Williams's class decided to collect data on a specific statistical question that was of interest to them. They either researched the statistical question online or they went around and surveyed teachers or students within the Germantown School community. They then created box plots to compare the data and wrote up their observations from the data. There is a new art installation in the atrium displaying collaborative work done by both Technology and HS Art classes. Students planned, designed, constructed, and painted this series of totems. On Wednesday evening, students in 8th grade FACS participated in the career fair.

We hope everyone enjoys their Spring Recess.
