Congratulations Clippers!

Mason Ferrer has earned a spot as a 2nd Team Patroon Conference All-Star.

Shawn Lyons and Mason have both been selected to represent the Partoon Conference in the Exceptional Senior Basketball Game later in March. Details about the game will be announced after March 17th.

Last week, 12th-grade students attended a trip to the Columbia County Court where they got a tour of the facilities and an opportunity to learn about the different roles within the court system and the many career opportunities afforded to them after high school. Also last week, students from the College in the High School Science Research course traveled to the University at Albany to participate in the Upstate New York Junior Science and Humanities Symposium. Students spent the first half of the day using the University Libraries to gather information about their research topics. In the afternoon, students observed the research presentations from the participants competing in the symposium.

Progress reports are viewable on the Parent and Student Portals. Please contact the office if you would like a copy mailed home.
